by deleting all language following the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 68-3-102(9), is amended by deleting that subdivision in its entirety and by substituting instead the following:

(9) "Live birth" means the complete expulsion or extraction from its mother of a product of human conception, irrespective of the duration of the pregnancy, which, after such expulsion or extraction, breathes or shows any other evidence of life, such as beating of the heart, pulsation of the umbilical cord, or definite movement of voluntary muscles, whether or not the umbilical cord has been cut or the placenta is attached. Heartbeats shall be distinguished from transient cardiac contractions, and respirations shall be distinguished from fleeting respiratory efforts or gasps;

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
